The Bad Doctor: The Troubled Life and Times of Dr Iwan James Ian Williams

Cartoonist and doctor Ian Williams introduces us to the troubled life of Dr Iwan James, as all humanity, it seems, passes through his surgery door. Incontinent old ladies, men with eagle tattoos, traumatized widowers – Iwan’s patients cause him both empathy and dismay, as he tries to do his best in a world of limited time and budgetary constraints, and in which there are no easy answers. His feelings for his partners also cause him grief: something more than friendship for the sympathetic Dr Lois Pritchard, and not a little frustration at the prankish and obstructive Dr Robert Smith. Iwan’s cycling trips with his friend Arthur provide some welcome relief, but even the landscape is imbued with his patients’ distress. As we explore the phantoms from Iwan’s past, we too begin to feel compassion for *The Bad Doctor*, and ask what is the dividing line between patient and provider? Wry, comic, graphic, from the humdrum to the tragic, his patients’ stories are the spokes that make Iwan’s wheels go round in this humane and eloquently drawn account of a doctor’s life.
