The Collective Thoughts is the first online book in The B.J.P. Burnsyde Anthology. The book reveals a meaningful insight into the thoughts of the Poet while growing up in a quaint country town, in Queensland Australia in 1983. Each poem touches your mind, engulfs your heart and thoughts. They help you think about your early childhood and how it was such a wonderful part of your life. The poems are a unique and individual introduction to the series of books that will follow in the B.J.P. Burnsyde Anthology. I hope you enjoy reading them as much as I enjoyed composing them. Watch this space. B.J.P. Burnsyde
