The Zen of Living and Dying: A Practical and Spiritual Guide Philip Kapleau

To live life fully and die serenely—surely we all share these goals, so inextricably entwined. Yet a spiritual dimension is too often lacking in the attitudes, circumstances, and rites of death in modern society. Kapleau explores the subject of death and dying on a deeply personal level, interweaving the writings of Western religions with insights from his own Zen practice, and offers practical advice for the dying and their families.
