Journey to Man is based on many parts of my life, as for all the characters in this book their names were changed in order to protect their privacy. Anthony questions God about his life in the ghetto, yet he is content with all the sexual pleasures with older women as well as with his best friend's mother and sister, Anna and Maria. Anthony feels that there is something missing in his life. Is Sandra, his art teacher the missing peace of his life or is God the answer?
