## **Lies He Told (G Street Chronicles Presents)** Renarda Huggins

Shanae Huggins is a 15 year old girl who has perfected a method of getting whatever she wants from whomever she wanted. With a mind well beyond her years she developed a system that improved her hustle, from stealing, and selling drugs to having the magic gift of gab. The one thing Shanae did not bank on was falling in love. When she met an alleged 21 year old New York resident, Shanae found herself in love and struggled to see things for what they really were. Renarda Shavon Huggins is an independent, hard working mother of two boys. In 2004 Renarda was involved in a serious car accident with a drunk driver; she managed to survive with a broken neck in three places, and now has a metal plate and four screws in her neck for the rest of her life. That incident made Renarda look at her life differently and she realized she was placed on earth for a real purpose. Renarda has had her share of relationships with women beaters, cheaters and drug dealers. She'd personally decided she'd had enough of that life. After redirecting her life, Renarda now uses her own real life experiences to enlighten others who have gone or may be going down the same path she did as a teenager. She wants the world to know that "Even When She Feels Like She Is Winning In Life, She Fights Like She Is Losing," because she is determined to succeed.
