**“Breathtakingly inspiring.” —Laurence H. Tribe, Professor of Constitutional Law, Harvard Law School**

When advocates for marriage equality sought to challenge California’s notorious Proposition 8, they were fortunate to have the support of two of the nation’s preeminent lawyers, David Boies and Theodore B. Olson. Despite the fact that they had argued against one another in the landmark *Bush v. Gore* case, their commitment to the marriage issue led them to join forces, ultimately defeating the unconstitutional proposition in the Supreme Court after a nearly five-year battle. *Redeeming the Dream* is the definitive inside account of the key civil rights struggle of our time.
