Symphony of Silence: A legend of Our Future Wes Thomas

Symphony of Silence is a journey through space, silence, and solitude. It is a story told about one woman and one man, guided by outer and inner forces, who somehow, someday, stumble and tumble through life's challenges then, by chance and happenstance, they fall into themselves fully, becoming what we honor as extra-ordinary. Hidden deep within all of us sleeps something grand and mysterious waiting patiently to be discovered.
