*Tales of a Southern Palazzo reads like fiction although it is a loving memoir of a "complex, twisted, and highly fragrant story" about Moultrie, Georgia that is basically all true! Using a "singularly distinctive mansion that cements all of the Southern waywardness" as a backdrop, this memoir pursues everything from the sordid to the sublime woven from tales that could have only emanated from the Spanish Moss-draped South. Tales recounts the hilarious and oftentimes unbelievable events that have occurred during the tenure of three Southern bachelors within and without its Palladian walls. At the axis of these stories is the author's aunt, Alyce McCall who struggles to keep "her" neighborhood homogenized and free of anything but the norm prescribed by this small town below the Mason-Dixon line. The author includes a "tell it all" treatise on his family and friends and the stories they have lived. From the celebrated Cloister Hotel on Sea Island, Georgia to the dove fields of Colquitt County, Tales of a Southern Palazzo celebrates the uniqueness of tragedy and humor in the deep South, defying the reader to discern which is which! Illustrations and photographs from author McCall's personal collection illuminate these larger-than-life characters. In the tradition of *Midnight in the Garden of Good and Evil*, this real American drama is both humorous and poignant.*
