If I could give The Power of the Penny 100 stars I would. Not only do I absolutely love Abe Lincoln, I now adore pennies. This book not only focuses on history in a fun and creative way (which sparked tons of dialogue with my two boys) but also teaches some of the greatest virtues one can have; honesty, determination, character, kindness, understanding, imagination, happiness and so much more! What a treat this book is. As a teacher, I am going to develop a lesson plan around this book! It is just too great not to share with many others!"

Here is my favorite passage from the book (p. 30)

**No matter the outcome, heads or tails, win or lose,  
remember your attitude and actions are what you choose**
