Time to Talk: An Interactive Experience for Adults & Children Wendy Case

This interactive educational book has been designed to benefit children ages 4 to 8 years old. It requires a most important ingredient - adult participation. Time to Talk is a learning tool that can be used in everyday life with children to help them to identify, explore, resolve and trust their feelings. The author presents four stories about children that experience and resolve a range of feelings. At the end of each story, there are questions for the reader to ask in order to open conversation. The design of this book will allow the child to discuss their feelings with a safe and trusted adult. You! Consider yourself blessed if you get to share feelings with a child. They can be magical moments.
