I heard something that sounded like marbles or bowling pins crashing---but a thousand times louder. I was scared to look behind me, but I did. Next I heard everyone screaming, ""Run!"" I saw a gigantic blob of ash, fire, and debris. I ran like I'd never run before. *Towering Memories* depicts the real-life experience of Renae O'Carroll-Mascol, an FDNY paramedic, on September 11, 2001, detailing the hours leading up to, during, and after the terrorist attacks that shocked the nation. Join O'Carroll-Mascol as she relives the horrors of that dreadful day and recounts her fight to survive after ending up alone and afraid in the basement of a building, covered from head to toe in debris. O'Carroll-Mascol shares her story in hopes of bringing healing and closure to herself and others who may have undergone similar experiences.
