Quinn Checks In: (Liam Quinn Mystery #1) (Liam Quinn Mysteries) Mr LH Thomson

What would you do if you had a second chance?...

Liam Quinn is back on the streets of Philadelphia.

Quinn was a child prodigy boxer who gave it up to become a painter... and then used that skill to make all the wrong decisions. Now he's back in Fishtown, with a second chance granted by the father of his unrequited high school crush: a PI license and a part-time gig with an insurance company. But when a multi-million dollar Dutch master goes missing, Liam's on the run and fighting for his life, ducking the mob, his angry family and a kid sociopath. It's not much of a welcome home, but it's what happens when Quinn Checks In.

" Just the right balance of wit, action and back story... A solid story, witty dialog, fist fights, beautiful women, art, stolen beer kegs, a mob connection and a surprise ending. What could be better?" - J. Michael Orenduff, author of the "Pot Thief" series.

For lovers of Robert B. Parker, John D. MacDonald and Sue Grafton, this private eye series offers a steady stream of action and adventure, humor and even some romance.

Q - Why do readers relate to Quinn? He's an ex-con.

A - He's a guy who made a mistake, and no one is harder on Liam than Liam, I think -- at least in the first few books. And he's got a big, troublesome extended family. I was trying to capture that feeling we've all had at some point around the dinner table or at a family event, when you know you really love them but boy, what you wouldn't give to say what you're really thinking!

Q - For a guy who fights so much, he's kind of a big softy! Was that deliberate?

A - He developed as a character based on a backstory and a family history that I had pretty firmly in mind; but by having once been a champion boxer, it gave me a chance to let him handle disputes without using a gun, a definite necessity for an ex-con. I like to think he's his parents' son.

Q - Do I need to read them in order?

A -It helps. It's not necessary, as every book is a self-contained mystery (or three); but the backstory of his family and the progression of his life in Philadelphia makes a lot more sense in chronological order:

1. Quinn Checks In
2. Quinn Gets His Kicks
3. Quinn Goes West
4. Quinn and the Vanishing Bride
5. Quinn Gets the Blues
6. Quinn and the Dead Man's Daughter

7. Quinn Slips the noose
8. Quinn Goes to Jail
9. Quinn Gets Hitched
- 10 Quinn Plays Ball -- COMING SOON!

Q - So why should I try them?

A - Because you're looking for a fun read, with lots of action and a mystery to test your sleuthing. If you like books by Gregory McDonald, Janet Evanovich or Stuart Woods, you'll enjoy Quinn.

Quinn Checks in is the first gripping suspense thriller in the Liam Quinn PI mysteries, a new series of private detective novels from the Canadian master of mystery, thrillers and suspense, LH Thomson. The Quinn books take Liam from Center City, Philadelphia to the west coast, Florida and into the dark heart of urban crime -- but not without Liam keeping his sense of humor intact.

You'll typically find the Quinn books under:

- Hard-boiled mysteries
- Crime Thrillers
- Private Investigator Series
- Private Detective Novels
- Thrillers and Mysteries Best Sellers
- International Mystery & Crime
