Stages of Desire: Male and Female Homosexuality in British and American Theatre

Carl Miller

Stages of Desire: Male and Female Homosexuality in British and American Theatre Carl Miller

In this critical look at how homosexuality and homosexual acts have been represented in English plays since the 14th century, key plays and writers are examined against the historical and cultural backgrounds of each period. From morality plays to Marlowe to the Restoration, the author traces the emergence of camp and the desire to shock. The central section, on the emergence of "homosexual" theatre from Wilde to Orton, considers how leading writers depict the theme openly, by subversion or by the use of textual codes. It also looks at how lesbians took the stage. The book then discusses the decades since Orton in depth, covering agitprop, positive imaging and queer theatre.

Sherrill Height:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that studying is not important, boring along with

can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Stages of Desire: Male and Female Homosexuality in British and American Theatre can make you really feel more interested to read.
