Finding Sky Susan O'Brien

AN ENGAGING COZY DEBUT...

"Author Susan O'Brien deftly combines motherhood and mayhem in this lively tale of a single mom tracking down a missing teen. Lots of fun!"

- Laura Levine, Author of the *Jaine Austen Mystery*

Series Sub-Genre Tags: Humorous Mysteries, Amateur Sleuths, Cozy Mysteries, Women Sleuths, Private Investigators

She's a parent. She's (almost) a P.I. No one gets on your case like mom.

Suburban widow and P.I. in training Nicki Valentine can barely keep track of her two kids, never mind anyone else. But when her best friend's adoption plan is jeopardized by the young birth mother's disappearance, Nicki is persuaded to help. Nearly everyone else believes the teenager ran away, but Nicki trusts her BFF's judgment, and the feeling is mutual. The case leads where few moms go (teen parties, gang shootings) and places they can't avoid (preschool parties, OB-GYNs' offices). Nicki has everything to lose and much to gain - including the attention of her unnervingly hot P.I. instructor. Thankfully, Nicki is armed with her pesky conscience, occasional babysitters, a fully stocked minivan, and nature's best defense system: women's intuition.

Praise for FINDING SKY:

"*Finding Sky* has everything an astute reader could want in a woman-driven cozy: a plausible plot, a smart protagonist, sex appeal, and two adorable, if overactive, children...O'Brien has written one of the most warm-hearted yet realistic cozies I've ever had the pleasure of reading."

- *Mystery Scene Magazine*

"Nicki Valentine, the heroine of O'Brien's engaging cozy debut, has her hands full as a widowed mother of two...When her best friend, Kenna, phones to tell her that Beth, the 18-year-old mother-to-be of the baby Kenna plans to adopt, has disappeared, Nicki seizes the chance to put what she's learned in her PI training course to work...Nicki proves a resourceful sleuth as she gets on the trail of the missing teen. The conclusion will leave readers eager for the next installment."

- *Publishers Weekly*

"Has a heart and soul and the minute I started reading it, I knew it was something special. Nicki Valentine, the sleuth at the center of the mystery of a missing pregnant teen, felt like an old friend to me and the lengths to which she will go to help a friend is just one example of her integrity and loyalty. I can't wait to read more about Nicki and her journey as a single mom and modern-day Nancy Drew."

- Maggie Barbieri, Author of *Once Upon a Lie, Lies That Bind* and the *Murder 101 Mystery Series*

"This debut mystery offers menace without violence, intrigue, and the realistic depiction of a single mother struggling to find an identity outside of motherhood. The hint of romance and element of humor further ensures that this novel will attract a following of cozy-reading fans for the upcoming sequel, *Sky High*."

- *Kings River Life Magazine*

"Nicki is a character readers will no doubt feel attached to way before they close the book. The fact that this book sports the tagline 'A Nicki Valentine Mystery' leads me believe that there is more of Nicki Valentine and her adventures waiting for us, which will hopefully continue to entertain us way past her children's high school graduation."

- Blogcritics.org

"I cannot fully express how much I loved this book. Nicki Valentine was such a great character to follow as she tries to juggle being a single parent, taking classes to become a PI, and investigating the disappearance of a pregnant teenager."
