Our 2017 edition provides thorough preparation for the NCBE's multistate professional responsibility exam (MPRE). This book has seven chapters, including an introduction that covers the exam's multiple-choice question characteristics and tips on how to most efficiently prepare. Understanding the examiner's tricks and red herrings helps you get more right answers and score high on the MPRE. All the most current ABA model disciplinary rules for lawyers and judges are included. Over 350 multiple-choice questions with complete answer rationales are presented so you "learn your mistakes." Question Maps cross reference the ABA rules to our related questions so you learn how the examiners actually test the rules. The textbook also contains dozens of acronyms to help you memorize the components of the rules. The book contains a mock final exam containing average to reasonably difficult questions. "Make Your Own Exam" and "Magic Memory Outline" software is also available.
