Romanesque: Architecture, Sculpture, Painting

Romanesque: Architecture, Sculpture, Painting

These substantial volumes on art periods vividly portray the most important achievements from the areas of European architecture, sculpture, and painting. The impressive photographs of works from all visual arts movements are at the center of these richly illustrated volumes. The books successfully provide an overview of the artistic diversity of the individual periods, and they couldn't have been written and illustrated any more clearly. The informative and interesting texts have been written by renowned authors from the fields of history, architecture and art history, providing a multifaceted view of each period. These books are a real pleasure for anyone with an interest in art.
