## **Table for One** Kevin J Wilson, Esther Buck

*Table for One* tells a wonderful story about the love between a mother, son, and food, and how the bond and memories among those three things relate to everybody and can never be broken. It also shows how the money in your wallet is no factor when your food is cooked with love.

This book takes you on life's journey, starting out in a very poor neighborhood all the way up to dining at fine restaurants as an adult. It shows how there isn't much difference between wealth and poverty, and it also discusses author Kevin J. Wilson's lifetime battle with depression and the loss of the people he loved.

*Table for One* was written after Kevin's brother and sister died young and unexpectedly from two different things in the same week right before Christmas. He was determined to turn the grief he had into a positive, and thus the book was written. It pays tribute to the great lives that they lived and also sends a positive message of hope to others who may be going through the same things. Kevin hopes to reach out to other people who may be battling the same thing and show them they can have loss and tragedy and still keep going.
