## **The Long-Nosed Pig (A Pop-up Book)** Keith Faulkner

A captivating cautionary tale from the acclaimed creators of *The Wide-Mouthed Frog* A pig with an elephant's trunk? That's what the world's very first pig looked like. He loved trotting along with his nose held high in the air, boasting of its amazing length to all he met. But one day the proud pig was too busy bragging to watch where he was trotting and he collided with a trunk that was taller, rather than longer, and much stronger than his own. From that day on, pigs--and their noses--have never been the same! Packed with spectacular pop-ups, this delightfully far-fetched fable is sure to charm fans of Faulkner and Lambert's immensely popular *The Wide-Mouthed Frog* (Dial).
