Beauty and the Running Back Colleen Masters

Dean Carter No girl is off-limits to Rayburn University's star running back. Not even the coach's daughter. Hell, I'm about to bring this school an NCAA Championship, the least I'm owed is a piece of that sweet little home-grown ass of hers. For the first time in my life, something about Jessa Baker has me reeling. I can't shake the thought of her innocent smile, the smell of her perfume, or the way her hips sway mockingly back and forth as she walks away from me. I know she wants me, I know she can barely help herself, I know because of the way her body betrays her every time we touch...but the wrath of her father—my coach—stops her dead in her tracks. Every. Time. I've lived my entire life one yard at a time, taking what I want, when I want it, and accepting nothing less. There are no consequences when you're a campus god. There's nothing that can stop me, on or off the field, from getting this girl. Jessa Cahill Sure, on the surface Dean Carter seems like the stereotypical asshole jock, the sorority-wet-t-shirt-contest-loving frat boy, the womanizing man-slut. But I know that deep down, underneath the football pads and layers of tattooed-muscle, there's a man worth losing everything for. My father would kill us both if he found out that I let Dean "know me" that way. He'd murder us if he found out my tutoring sessions with Dean involved learning more than just English literature... A guy like Dean can be addictive, dangerous, sexually exquisite...but all actions have consequences. *Beauty and the Running Back* is a full-length contemporary sports romance novel. This book involves a lot of hot steamy sex, and a little football. 18+, HEA, no cliff.
