**Cemetery Girl: Book Two: Inheritance (The Cemetery Girl Trilogy)** Charlaine Harris, Christopher Golden

**Charlaine Harris, the #1 *New York Times* bestselling author of the Sookie Stackhouse Novels and the Harper Connelly Mysteries, and *New York Times* bestselling author Christopher Golden present an original graphic novel illustrated by acclaimed comic book artist Don Kramer—second in the Cemetery Girl Trilogy.**

She calls herself Calexa Rose Dunhill. She has been living—hiding out—in Dunhill Cemetery ever since someone left her there to die. She has no idea who wants her dead or why, but she isn't about to wait around for her would-be killer to finish the job.

Despite her self-imposed isolation, Calexa's ability to see spirits—and the memories she receives from them—guarantees she'll never be alone, even among the deceased. The only living people she allows herself to interact with are Kelner, the cemetery's cantankerous caretaker, and Lucinda Cameron, an elderly woman who lives in an old Victorian house across the street. With their friendship, Calexa has regained a link to the world beyond tombstones and mausoleums.

Until the night she witnesses a murder that shatters her life—a life now under a police microscope—as their investigation threatens to uncover Calexa's true identity...
