Evolution in Dental Care Richard J. Elderton

High quality oral health care is an increasingly important aspiration in most parts of the world. However, the world is an ever-changing place and change in dentistry is occurring very rapidly indeed. The rapid growth in knowledge of oral diseases, the change in disease prevalence and distribution, and the continued improvement in world communication, make this a challenging time in modern dentistry. There is a clear need to move from a system of piecemeal dental treatment to one of oral health care as a whole. These and many other issues are dealt with in this book. This is a book for all involved in dental care, be they providers or consumers.
