Next Time...Forever Sherryl Woods

**Don't miss this fan-favorite tale from *New York Times* bestselling author Sherryl Woods of lovers separated by circumstance, but destined to find their way back to each other.**

In the heat of a southern night, Catherine Devlin met Dillon Westin, and together they shared the joy of a single weekend. The sexy businessman charmed her, and in his arms she found a happiness she'd never known. But they lived in different cities, had busy lives—so they parted with a soul-shattering kiss...and a promise to meet again in one year.

Catherine spent the passing seasons remembering the passion of those days. She wanted to spend the rest of her life with Dillon, and although their joyful reunion brought them together, a lifetime of obligations pulled them apart. And she began to wonder if “next time” would ever mean “forever.”
