Numerology is a very ancient science dating back thousands of years. It offers an insight into the personality by assigning numeric values, or numbers, to the letters which are contained in names.

Numerology, the simplest of the occult sciences to master, offers deep insights into the personality. You can use numerology to understand yourself, friends, associates and lovers. You can see the dynamics of relationships and you can determine the best time to marry, change jobs, move, invest and travel.

You can count on the numbers to reveal the truth about people and the world--and you can count on this guide to help you understand the numbers. With easy-to-follow examples, this book shows how to analyze your own and others' characters, personalities, destinies, and karma.

This book, Numerology Made Easy: Find Out Your Destiny And Purpose In Life, covers several topics including: your personal number, your destiny, your purpose in life, your relationship with that other person, the meaning of a certain day, the karma of the year, your lucky numbers, your marriage, your accomplishments, and so much more!
