Dionysius the Areopagite

The Works of Dionysius the Areopagite Dionysius the Areopagite

The Treatise on “Divine Names” was written by Dionysius, at the request of Timothy, and at the instigation of Hierotheus, to express, in a form more easily understood, the more abstract Treatise of Hierotheus, who was his chief instructor after St. Paul. Its purpose is to explain the epithets in Holy Scripture applied alike to the whole Godhead—Father, Son, and Holy Ghost. It does not pretend to describe the unrevealed God, Who is beyond expression and conception, and can only be known through that union with God, “by which we know, even as we are known.” Holy Scripture is the sole authority, beyond which we must neither think nor speak of Almighty God. The Treatise, being written by one of the most learned Greeks, the phraseology is, naturally, that of Plato and Aristotle; but Plato and Aristotle are not authorities here.
