Your One-Stop-Shop in the Home Buying Process

What Every Homeowner Needs to Know Before They Sign on the Dotted Line

Thinking about buying a home? The dream of home ownership has become a reality for millions of people in the last few years.

With this book in hand, now it can be yours too.

What's Your Rate? How to Buy a Home and Secure Your Financial Future at the Same Time offers a unique perspective into the process of buying a home. At the same time, it helps you to formulate a financial plan and put together your financial team. Don't neglect to consider your insurance needs, investment strategies, college funding, estate planning or passing on a legacy. These critical factors are often overlooked while transacting what is, for most people, the single largest purchase they'll ever make—their home.

This definitive guide is unique in that all of the home buying and financial planning information is related through a compelling narrative centered on a young family—a family probably a lot like yours. They have grown out of their apartment and they are expecting a third child. When a suggestion from a trusted friend is followed—after a discouraging beginning into the home buying process—an all-encompassing plan soon unfolds.

Learn how to assemble your team of trusted advisors and put together a comprehensive plan for the future. This is a must read for anyone considering buying a home, and for the Core-7 business professional looking to create a system to help in that endeavor.
