**Astonishing Heroes: Shades of Justice** Gary Phillips

Presented by iPulpFiction.com

**Louis Trent** is a high rolling hit-man plucked from Hell only if he kills for Heaven.

An anonymous city bureaucrat, **The Reclaimer**, senses what evil lurks via emanations from tenement walls.

In the 1970s, **Onyx Adams**, a tough, kung fu'ing Afro-wearing female private eye teams with a so-called b'wana devil, the **Ghost Wolf**, to thwart one of history's greatest villains back from the dead.

**The Silencer** is a Vietnam vet who returns home but the war goes on when a bomb injures him and kills the woman he loves.

A seeming sellout Uncle Tom agent provocateur, **American Black**, reveals other plans.

A weed smoking, easygoing inner city teen working in an old folks' home inherits amazing powers and responsibilities from WWII-era heroine **Victory Angel** as **Kidd Vee**; and several of the heroes team up in the past and present to prevent a climate calamity by a fanatical billionaire.

In this anthology of 10 action-packed prose stories, veteran crime and mystery fictioneer and graphic novelist Gary Phillips (author of *Big Water*, *Warlord of Willow Ridge*, and co-editor of the acclaimed *Black Pulp* anthology) offers his rip-roaring revisionist take on the superhero genre – *The Watchman* meets *Manchild in the Promised Land*.

As a special to this collection, Phillips has written an original outing bringing together several of these characters in one adventure for the first time ever.

Inside you'll find tales of:

- American Black
- The Envoy
- Ghost Wolf
- Kidd Vee
- Onyx Adams
- The Reclaimer
- The Silencer
- Terror Flame
- Victory Angel
