Keeping the Heart: How to maintain your love for God

John Flavel

Keeping the Heart: How to maintain your love for God John Flavel

This is John Flavel's classic work on union and fellowship with God. In a comprehensive and helpful manner Flavel helps us understand better what 'keeping the heart' means. He tells us why we should take this commission seriously and speaks about there being particular times when we need to be especially wary of being distracted from our goal. He then shows how we can go on to develop a greater ability in keeping our hearts in tune with God. His advice is timeless, sensitive and profound. Flavel was an English Puritan who became a non-conformist after the 'Great Ejection' of 1662. It was 10 years before he was licenced to preach again, and then only in his own home. His writings, when collected in the 19th century, filled 6 volumes. Flavel's writings are known for their practical nature. He was instrumental in promoting the 'Happy Union' of Presbyterians and Congregationalists.

John Burns:

Your reading 6th sense will not betray anyone, why because this Keeping the Heart: How to maintain your love for God e-book written by well-known writer who knows well how to make book that could be understand by anyone who also read the book. Written within good manner for you, still dripping wet every ideas and publishing skill only for eliminate your own hunger then you still skepticism Keeping the Heart: How to maintain your love for God as good book not simply by the cover but also through the content. This is one publication that can break don't assess book by its include, so do you still needing yet another sixth sense to pick this!? Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.

Jose Crawford:

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Keeping the Heart: How to maintain your love for God can make you feel more interested to read.
