## **Love for Love (Pocketbooks, 03)** John Burnside

This anthology was compiled by asking fifty poets to select their favorite love poem and write a poem of their own in response. The contributors, writing in English, Gaelic and Scots, include Andrew Greig, Meg Bateman, Stewart Conn, Valerie Gilles, Robin Robertson, Robert Crawford, Kate Clanchy, and Roddy Gorman. Their chosen poems have been gathered from around the world and across the centuries and range from work by Pablo Neruda, Nina Cassian, and Pierre de Ronsard to Iain Crichton Smith, Robert Creeley, William Soutar, and Norman McCaig. This delightfully simple concept for an anthology of love poetry highlights the notion of the address as the lover beholds the beloved, a dialogue in which the present also beholds the past.
