## **Scotland's Coast: A Photographer's Journey** Joe Cornish

Here, acclaimed landscape photographer Joe Cornish turns his eye to the magnificent scenery of Scotland's 6,000-mile coastline. Traveling from the Mull of Galloway in the south to the tip of Unst in the northerly Shetlands, from the remote St. Kilda in the Atlantic to the Sands of Forvie National Nature Reserve on the North Sea, he captures all the stunning variety of the Scottish seacoast. Whatever the subject—be it a wide Hebridean vista or fragmented patterns of ice on a frozen beach—Cornish, with his artist's eye and dramatic use of light, reveals it in fresh and startling beauty. Joe Cornish's previous book was *First Light: A Landscape Photographer's Art*.
