This book of poetry and prose contains my innermost thoughts and feelings that I have held within myself for most of my life. Many of the struggles, heartaches and good things that have happened in my life, are contained within these pages. This book is honest and true, as it addresses tough and controversial issues such as: depression, abstinence, family relationships, abortion, God, and more. So, I invite you to come and walk with me through some of the good and bad times that I have spent in school, church, home, and life in general. Take a glimpse into my life and maybe you will find that you and I are a little bit alike!
