## A Bollywood Affair Sonali Dev

“A fresh new voice....Deeply-felt emotions that will keep readers turning the pages.” --Susan Elizabeth Phillips, *New York Times* bestselling author

Mili Rathod hasn't seen her husband in twenty years—not since she was promised to him at the age of four. Yet marriage has allowed Mili a freedom rarely given to girls in her village. Her grandmother has even allowed her to leave India and study in America, all to make her the perfect modern wife. Which is exactly what Mili longs to be—if her husband would just come and claim her.

Bollywood's favorite director, Samir Rathod, has come to Michigan to secure a divorce for his older brother. Persuading a naïve village girl to sign the papers should be easy for someone with Samir's tabloid-famous charm. But Mili is neither a fool nor a gold-digger. And before he can stop himself, Samir is immersed in Mili's life—cooking her *dal* and *rotis*, escorting her to her roommate's elaborate Indian wedding, and wondering where his loyalties and happiness lie.

Heartfelt, witty, and thoroughly engaging, Sonali Dev's novel is both a vivid exploration of modern India and a deeply honest story of love, in all its diversity.

“Deeply romantic and emotional, with characters I fell in love with...simply unputdownable.” --Nalini Singh, *New York Times* bestselling author

“An impressive debut...Vibrant and exuberantly romantic, *Affair* is chock full of details that reflect India's social and cultural flux.” --NPR.com, A 2014 Best Reads Selection

“This tasty Indian American confection will satisfy female readers of any age...A contemporary, transcontinental romance told with a light touch and lots of sizzle.” --*Library Journal*, A Best Romance of 2014 Selection
