Buy Almost Out today and meet the character readers are calling the “anti Sherlock Holmes”. A criminal genius used to being one step ahead. Now he is scrambling to catch up. Seth Mortimer is the Architect, the criminal mastermind behind much of the London crime scene. He returns to the UK from almost a year travelling Europe plagued with one thought, should he get out and leave the life of crime he has created behind? Unfortunately everybody else seems to have their own ideas for him. His best friend expects him to take back the reins of their criminal empire, his girlfriend Sarah just wants to settle down and a Metropolitan Police detective he has too much history with is snapping at his heels. Worst of all, Martin Bridges, a rival gangster, has plans of his own. Bridges feels Seth owes him £3 million and has come up with a way he can work off the debt: carry out a supposedly impossible jewellery heist. Oh, and while he’s at it, deliver his friend’s head on a plate. And if he doesn’t then Sarah will die. Can he pull off the impossible and lift the diamonds? More importantly, will he betray his only friend to save the woman he loves? And if he does will it matter anyway if the police have caught up with him? This is a new world for the Architect, one where he isn’t fully in control. Almost Out is a standalone novel in the Architect series. It’s a fast paced thriller set in a world of British organised crime, assassins and master thieves who use their brains to outwit one another and the police. If you love intelligent anti heroes, you’ll love the Architect series. Buy Almost Out today and meet the character readers are calling the “anti Sherlock Holmes”.
