Math at a Glance: A Month-by-Month Celebration of the Numbers Around Us Susan Ohanian

Susan Ohanian provides opportunities to find wonder, wit, and whimsy in numbers within our everyday surroundings, presenting a chronology of historical events that generates mathematical thinking and activities.

Teachers who are trying to make changes in the way they approach math instruction will find this a refreshing resource. In addition to celebrating birth dates of mathematicians and other scientists for whom mathematics was key, *Math at a Glance* provides interesting and zany facts that will spur mathematical investigations across all curriculum areas: language arts, literature, geography, environment, science, art, music, and sports and physical fitness.
