**Plays: Vol.1 (Oneworld Classics)** Luigi Pirandello

**The first volume of the complete theatrical works by one of the greatest and influential Italian authors of the 20th century**

*Whatever is a reality today, whatever you touch and believe in and seems real for you today, is going to be—like the reality of yesterday—an illusion tomorrow.*

The first of three volumes collecting the complete plays of Luigi Pirandello, this volume contains some of Pirandello's most famous plays, including *Six Characters in Search of an Author*, *Henry IV*, *Each in His Own Way*, and *The Life That I Gave You*, as well as several of his lesser-known works for the stage, some of which are translated into English for the first time. Preoccupied with the nature of truth and delusion, and treading dangerously on the borderline between sanity and madness, Pirandello's plays are a daring exploration of human actions and the dark motives lying behind them, and the culmination of the naturalistic school of theater inaugurated by authors such as Ibsen and Chekhov.
