"The Chantings Of An Eternal Dreamer" is a collection of poetry, prose and narratives, risen from my wanton mind, influenced by the human behavior and their varied perceptions, but largely by Nature's mysterious ways. For me, writing encourages pause for thought, and helps me think more deeply about life, as if to regain equilibrium. At times, it is spiritual. . . almost therapeutic. I attempt to deliver this experience to the readers through my Chantings and to create a context for thought and feeling. I hope you enjoy reading them as I have writing this book.
