Readers will enjoy the antics of the pet, Magpie, that comes straight from the Australian bush. They will enjoy how a lonely little bull is rescued by Bronte's dad. There is also a story about a wonder dog that saves a young child's life and a love story between three people. Readers will have the pleasure of reading about a wild dingo before he returns to the wild. Two adventures in the ocean and on a property; the fantasy of Farmer Jack who finds the Cabbage Patch Rabbits in an obscure place on his farm; a little deaf girl who dreams that she can become an accomplished pianist-these are the stories found in this book.
