**Day Trading: A Beginner Guide to Start Making Immediate Cash in Only One Day of Trading**

**If you are considering becoming a day trader, then look no further!**

**This is a can't miss book!!!**

**This book is a step by step guide** on how to enter the market as a day trader. From the first chapter to the conclusion you will learn everything that you need to know to enter the market and trade successfully.

- You will learn exactly what day trading means and the terminology goes along with it.
- You will also learn what kinds of markets that day traders frequently trade in and how they benefit the most by each market.
- I will also teach you which markets are the safest and how you can determine which market will be the best for you. We will discuss how to conduct the actual trade and each step that is associated with it. There are many different strategies that you will need to understand and they are all listed in detail so that you can understand each of them.
- I will also teach you how to decide which strategy might be right for you and how you can personalize it to make it work for you. Many new day traders often repeat the same mistakes when they begin. These common mistakes are outlined in this book along with advice on how you can avoid them.

**The whole goal of this book is to help you become a profitable and successful day trader.**

So I am sharing as much information as I can with you in an easy to learn step by step process. **This book has been written with the beginner in mind so you will be able to read this book and understand everything you are reading.** You will also be able to keep this book with you and use it as a reference as you are starting out!!
