Extraordinarily well written, Demons are Subject to Us by minister and radio personality Isidore A. Agoha gives fascinating insight on the origin and nature of demonic possession. With a relevant and timely message, he provides the histories of how demons were unleashed upon the earth's humanity and how Satan continues to use demons to seduce, afflict, torment, harass and keep men in bondage. With a searing eloquence, this concise and meticulously documented text goes beyond the clinical manifestations of demonic bondage and oppression in a human life to discuss how Jesus and the early church dealt with demons in the past. Paving the way for future triumph, the author uncovers the possible demonic origins of specific personal problems, issues and struggles like drug addiction, cults and fetishes. This authentic and well researched guide not only empowers readers, it teaches laymen how to be free of demons and help lead others in their escape of ungodly possession.
