Have there been times in your life when you felt abandoned by God? This book is about coming to grips with the God of Life who absolutely loves us and is totally committed to our freedom. This book is about resurrection, both in this life and in the one to come. There are literally millions of Christians who do not know the freedom they have in Christ. Many people are enslaved to an angry monster god who keeps them in bondage out of fear. Living in fear is a form of death. There is something very wrong about death. Physical death is repulsive to look upon, and we avert our gaze from it. Spiritual death is equally damning, because it kills life and liveliness. The apostle Paul wrote in one of his letters, "So we do not lose heart. Though our outer nature is wasting away, our inner nature is being renewed every day. For this slight momentary affliction is preparing for us an eternal weight of Glory beyond all comparison." This glory is about true life. This glory is about the joy and healing found in love. This glory is connected only to God and is ours to discover in the New Creation.
