The Book of You Nelli Lahteenmaki, Nora Rosendahl, Aleksii Hoffman

Give The Book of YOU one minute of your time each day and achieve a happier, healthier, more fulfilled life. Change can be hard and rarely happens overnight. The aim of this book is to empower you to make change happen. The Book of YOU contains 365 micro-actions, one for each day of the year, grouped under four areas - Food, Mind, Move and Love, for example: LOVE: Smile at a Stranger: Has someone ever suddenly smiled at you on a busy street? Remember the feeling after the initial surprise? Today when you are out and about, smile at a stranger. MIND: Set a Go-To-Sleep Alarm: We use alarm clocks to get us up in the morning, but for many the challenge is actually the night before - hitting the sack early enough. Tonight, decide on a bedtime and set an alarm for when it's time to go to sleep. FOOD: Go Nuts: Pay homage to the wonderful world of nuts. They're deliciously diverse in flavour, packed with protein, essential good fats and minerals, and will give you an energy boost. Try just a small handful today as a snack, or added to a meal - pecans on porridge, pine nuts over pasta or crushed walnuts over a salad. MOVE: Activate Your Abs: While you are for example making breakfast or on the bus, pull your belly button in. This activates your deep abdominal muscles that are usually asleep, which is amazing for your lower back to provide support. The action host contributors to The Book of YOU include chef Jamie Oliver, productivity expert and author of Small Move, Big Change Caroline Arnold, fitness trainer Jamie Sawyer, neuroscientists Dr Tara Swart and Dr Darya Rose, and fitness guru Dani Stevens. Life is not about how many steps you walk, how many calories you eat or your place on the leaderboard. Life is about feelings, moments, shared experiences; enjoying every victory, celebrating balance and showing vulnerability. Complete just one micro-action each day - eat more fruit, take the stairs, do a random act of kindness - and it will help you live a happier, more fulfilled life.

From reader reviews:

Charles Killough:

As people who live in often the modest era should be revise about what going on or data even knowledge to make these people keep up with the era which is always change and make progress. Some of you maybe will update themselves by reading through books. It is a good choice in your case but the problems coming to a person is you don't know what type you should start with. This The Book of You is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Edgar Workman:

Beside that The Book of You in your phone, it could give you a way to get more close to the new knowledge or information. The information and the knowledge you are going to got here is fresh in the oven so don't end up being worry if you feel like an old people live in narrow small town. It is good thing to have The Book of You because this book offers to you readable information. Do you often have book but you don't get what it's interesting features of. Oh come on, that will not happen if you have this within your hand. The Enjoyable agreement here cannot be questionable, including treasuring beautiful island. Use you still want to miss the item? Find this book along with read it from right now!

Dennis Jenkins:

Don't be worry if you are afraid that this book will filled the space in your house, you could have it in e-book method, more simple and reachable. This specific The Book of You can give you a lot of friends because by you checking out this one book you have factor that they don't and make you actually more like an interesting person. This particular book can be one of one step for you to get success. This book offer you information that maybe your friend doesn't understand, by knowing more than other make you to be great people. So , why hesitate? We should have The Book of You.

Lynda Alford:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this The Book of You can make you sense more interested to read.
