The Wiley Getting Started Series offers step-by-step, hands-on introductions to the most in-demand PC-DOS and Windows applications programs. These interactive tutorials use a learn-by-doing approach that helps anyone master today's most popular software programs. Most packages come with a data disk containing sample files, some with educational versions of the software, and all with a wealth of exercises and screen dumps. Users learn why and when to perform an activity -- rather than how to follow instructions by rote.
