April Showers Trey Branson

She's drop dead gorgeous, she's selfish and she's determined to own the world; or at the very least, be loved by a man capable of owning the world. Her father is an iron fisted, over protective ex-gangster with a colorful past, and he'll do anything to keep her safe, even if it means compromising his own principles. April thinks her father is just out to rain on her parade, but little does she know about the dangers of the life that she's fallen in love with. Soon, she finds herself in the middle of a love triangle. April is being pulled in two different directions, and her heart is being ripped in half by the two most important men in her life... The one she loves desperately, and the one who desperately loves her. Life is all about choices, and love is all about loyalty... So, what happens when your loyalty leads you to make the wrong choice? It rains...
