How Mennonites Came to Be (Mennonite Faith) J. C. Wenger

"Fear, loneliness, and despair describe the pain so many people feel today. One alternative to the emptiness of our time is a living faith. How Mennonites Came To Be sets forth such a faith. It's a faith rooted in Jesus Christ and His word, a faith born of intense suffering and persecution. The author, a noted historian and biblical scholar, writes of the people he loves so well. His story touches the real meaning of life."
