## Mad Love Nick Spalding

Can two people who have never met make a marriage work? Popular dating site Sociality thinks so, and is marrying London lad Adam to California girl Jessica to prove it.

What better way to show that your 'love algorithms' work than to put two complete strangers together in an expensive publicity stunt? But, as livewire Jess and lazybones Adam quickly discover, just because a computer says you're the perfect match, it doesn't make it so!

Two million Sociality subscribers and the media are following the happy couple's progress, and they have to make a go of it or they'll lose everything, look like idiots, and destroy Sociality's reputation. But can the mismatched pair, who seem to be constantly at each other's throats, put their differences aside and work their way into each other's hearts?

Nick Spalding, bestselling author of *Fat Chance* and *Bricking It*, will make you cry with laughter at this story of marital warfare—complete with sinking boats, badly aimed flatulence, well aimed tennis balls and some very suggestive pastry.
