The Incredible Pop-Up Body Book DK Publishing

Open up the covers of this surprising volume and prepare to be amazed...at yourself! Discover the body and its functions, from brains to blood vessels and skin to skeleton, with text that explains everything from taste buds, chewing and speech, to reflexes and how humans develop from one cell, delivering information with excitement.

And when kids are done reading all about the human body and its functions, they can continue to study it with a four-foot. fold-out human body model complete with a pop-up skull, chest, and movable limbs, with flaps galore to help explore deeper into the inner workings of the body and its muscular and sensory systems, detailing cells and tissue structure, and giving the lowdown on the brain — plenty to get young minds thinking.
